

PROMOTIONAL RATES Long Distance Transfers to / from Greater London & London Airports

We know that the COVID-19 Pandemic has temporarily changed the way your clients travel. With the recent government-enforced travel bans, reduction of commercial flights, and mass cancellations of meetings and events, we understand that there is more than a little anxiety around travel.

However, in the face of such disruption, we understand that some of your clients will still choose to travel and will look to you for solutions. As always, Carey is here to help.

With immediate effect and until further notice, Carey is offering a 50% discount on the hourly rates for any long distance transfers.

A long distance transfer is deemed to be 70 miles or more to / from Greater London (within M25) or 70 miles or more to / from all London Airports, i.e. LHR, LGW, LCY, STN and LTN.

If your Carey account is set up with NET rates, the discount will be automatically applied; if your account is set up with commissionable rates, you will receive commission as per usual.

With a Carey service, your clients will travel in a clean, quiet, and safe environment while practicing the social distancing encouraged by the Centres for Disease Control and World Health Organization.
